SIR,

Subject :-

I have the honour to state that the Channapatna Municipality is losing a sum of Rs.2190 (at the rate of Rs.6/- per day) per annum by the abolition of the levy of toll on motor vehicles, after the introduction of the Mysore Road Traffic and Taxes Regulation and as such the Municipality has to be compensa - for the loss of income by Government. The loss of vehicle tax sustained by the Municipal Councils has been ordered to be compensated vide Government Order No.T.1218-28/R.T.48-36-1 date the 9/11th February 1937 but no order seem to have been passed for compensating the loss of Toll revenue sustained by the Town and Minor Municipal Councils. Government in their Order No.T. 1358-62/R.T.45-36-1 dated the 18/19th February 1937 have passed orders compensating the Bangalore and Mysore City Municiaplities for the loss of Toll revenue as well. The same concession has perha to be shown to Town and Minor Municipal Councils also as the los sustained by them has adversely affected their financial posi

I request you to kindly place these facts before th Government and obtain their orders for compensating the Town and Minor Municipal Councils for loss of Toll revenue.

On receipt of Government Orders I shall furnish det of actual amounts that each Council claims as compensation.
